What if we need to cancel?

Notice of cancellation must be made in writing no later than **30 days** prior to check-in time in order to receive a full refund, less a \$100 administrative fee. In

the case of a cancellation notification less than 30 days prior to check-in, or failure to utilize this confirmed reservation, we retain all funds received, as liquidated damages unless the confirmed unit is re-rented at the same rate for the same time period.
